Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) is a regulation of the European Union, adopted to improve the protection of human health and the environment from the risks that can be posed by chemicals, while enhancing the competitiveness of the EU chemicals industry.

Under the definition of the REACH regulations EC1907/2006, Vesimentor OÜ has the status of a downstream user in the supply chain, therefore not obliged to register its products and systems.

Vesimentor OÜ does not manufacture any substances, which are required to produce our products.

The rotomoulding powder that are used for production of Vesimentor OÜ telecom plastic wells has REACH registration number 01-2119462827-27-0261 (ETHYDCO).

The PE plastic sheets inside the wells and the material for penetration seals do comply with Annex XVII (acc. To Article 67) of Regulation EC No. 1907/2006 in terms of ingredients and scope. This materials do not contain any of the substances listed in the Candidate List of Substances of Very High Concern (SVHC) in the relevant concentration of >0.1% (w/w).
